Soundproof Audio Room

Fully Airconditioned

EQUIPMENTS

HD Cameras

The facility is equipped with Panasonic and Sony HD cameras, delivering stunning video quality for all recording needs. These professional-grade cameras ensure vibrant visuals and exceptional clarity for your projects

Cordless Mics

Sennheiser professional cordless microphones, offering exceptional sound quality and freedom of movement for recordings. These reliable mics ensure clear audio capture, making them ideal for interviews and discussions.

Microphones

The facility includes 04 Behringer microphones, known for their clarity and reliability, perfect for capturing high-quality audio recordings.

Speakers

Enhance your auditory experience with our state-of-the-art speakers, delivering crystal-clear, high-quality sound. Immerse yourself in rich audio, perfect for presentations, entertainment, and beyond.

Display TV

Features a cutting-edge display TV setup, seamlessly connecting to cameras for live captures. Ideal for monitoring and reviewing footage with ease and clarity

Studio Set

Offers a professional studio round table, perfect for hosting panel discussions with 4 to 5 participants. A versatile space designed for dynamic and engaging recording.
